

Dear Ridge Member,

We are just under 3-weeks away from the start of our locker room renovation and so excited to be able to bring you the upgraded lockers, new tile, new sauna and steam, and new flooring throughout the locker rooms. We know that you're going to appreciate your new space.

For those water lovers within the club, we are going to have some other aquatic options for you during the month, since our pool will be closed during this renovation. The pool closure is due to the construction renovation within the locker room, but we will do our best to find the earliest opportunity to re-open the pool if possible. That decision will be dictated by the construction schedule.

In the meantime, we have a few pool options for those looking to get an aquatic workout in from August 1 through August 27.

Aquafit Classes will be held on Tuesdays, Thursdays, and Saturdays at 8:00 AM at the **Riverside Country Club**. Riverside is located at 2500 Springhill Road in Bozeman.

Those members looking to **Lap Swim** can go to the **Bozeman Swim Center** from August 1 through August 11. The swim center will be closing for maintenance from August 12 through August 25. To utilize the swim center prior to their maintenance date, show your membership card at the desk. Once you sign in, you will be able to swim laps during their scheduled times. The Bozeman Swim Center is located by Bozeman High School, at 1211 W. Main Street.

Group Swim Lessons for the month of August will be held at the pool inside the **Holiday Inn**. The Holiday Inn is located at 5 Baxter Lane, in Bozeman.

Our annual Club Scrub is also approaching. Club Scrub, for those who may be unfamiliar, is a time when the Ridge on Fallon closes for 5 straight days to deep clean, make repairs, bring in new equipment, and drain, scrub, and refill the pools. It is a commitment that we make to our members to ensure that we are providing the best health and fitness facility possible. This year's Club Scrub will take place from **August 23 through August 27** and we are going to have some great new equipment for you to try when we reopen! A list of all the new items can be found on our Facebook page as well as a poster in the fitness center. Our downtown location will remain open during this time and has extended hours and classes to best serve your fitness needs.

Thank you for choosing the Ridge as your health and fitness home in the Gallatin Valley. We are pleased to be providing these upgrades and hope that it shows our commitment to serving our members. Please do not hesitate to contact me with any questions or concerns.

Respectfully,

Darrell Cherry
Chief Operating Officer
